Why Renting Lasers From SMC Makes Sense!

SMC purchases the newest lasers, so you don't have to! We bear the extra costs associated with owning laser systems including, equipment consumables, maintenance contracts as well as staying current on the latest new trends in laser technologies.

Outdated equipment is a thing of the past! SMC consistently updates its inventory to provide you with top of the line equipment that is not only easy to use, but also safe and highly effective.

SMC provides complete training through seminars instructed by physicians, in-service training for your staff, as well as updated information on the newest methods and the latest laser techniques. We also supply our customers with documentation and reference guides for every laser procedure.

Marketing these procedures is both easy and effective through SMC's years of proven success utilizing brochures, posters, marketing slicks and advertising materials to enhance your success.

SMC makes scheduling simple and easy through our
24 hour Toll Free Number (866) 599-5570.
